SAWAN KHANCHI

FRONT-END DEVELOPER

ABOUT ME

Hello, I'm Sawan - passionate Front-End developer, actively looking for a new life-changing opportunity.

I'm a self-motivated and well organized person, quick thinking and eager to learn. I take initiative in difficult situations, and I always strive to improve the product and bring new ideas.

PROJECTS & WORK EXPERIENCE

I made these projects in my study time of learning web development. Here is my projects with link below:

RECIPES-TRACKER, E-commerce   *Oct 2020*

Build with JavaScript, HTML5 & CSS3
Realized catalog page and designed the logic to allow the user to filter their searches.
Use of Fetch API to get the data.
Visit the Website

IELTS AT HOME, IELTS preparation website   *Oct – Nov 2020*

Implemented the frontend in React, Material UI and SASS.

Created using HTML, CSS, JavaScript and ReactJS.
Visit the Website

WEATHER APP,   *Aug 2020*
Responsive app created using JavaScript, HTML & CSS
Implemented the AJAX call that retrieves data from the OpenWeather API.
Visit the Website
